

WELCOME TO THE 2024 *New Year!*

We have officially kicked off the new year in 2024 and bid sayonara to 2023. Last year was a challenging 12 months for the lighting industry and for the wider economy. Portor is pleased to have seen great success and continued our steady growth year by year; with thanks due to our manufacturer representatives and distributor partners.

A-Z Lighting
ASSOCIATES

Portor is proud to announce A-Z Lighting as our new manufacturer representative in the great state of Florida. A-Z Lighting will be representing Portor in Central / Northern Florida and boasts a knowledgeable team of lighting experts who have been serving the FL market for over 30 years.
