

Happy Valentine's Day

Happy February! While hearts and chocolates dominate the first half of the month, at Portor, we have so much ahead and plenty to be thankful for.

So, on this Valentine's Day, we want to share a special bit of love with our amazing manufacturer representatives around the country.

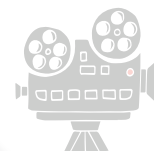

All of the partnerships and friendships wouldn't be possible without your support, dedication, and of course, the love of what you do!

NEW REPRESENTATION IN NORTH CAROLINA

Portor is proud to announce Triangle Lighting Solutions as our new manufacturer representative in the Tar Heel state. Triangle Lighting boasts a strong team of commercial and industrial lighting specialists.

"We are excited to partner with Triangle Lighting in North Carolina. Tom and the team set a high bar of excellence and we are looking forward to growing the booming North Carolina market."

– Brandon McBride, National Sales Director.
