

HAPPY MEMORIAL DAY

This Memorial Day, as we gather together with family and friends, turn up the BBQs and welcome Spring in full fashion, let's be sure to take a moment and truly honor those who have paid the ultimate sacrifice for our country and American way of life. For all the freedoms we enjoy today, there was a man and woman who safeguarded it.

HAPPY MOTHER'S *day*

Happy Mother's Day to all the moms out there across the country! Thank you for holding it all together for the next generation and supporting your kids with love, guidance, and wisdom. Kick back, relax, get a massage, take a nap, or get some brunch. Mother's Day belongs to you! Also extending a heartfelt acknowledgement to all the woman trying to start their families. We're rooting for you!
