

THANK YOU to all of America's Heroes

Portor Industry would like to thank all of the emergency responders, hospital workers, senior citizen health care specialists, child care providers, family members, and countless others who have rallied in this time of incredible difficulty to take care of our loved ones during the COVID-19 pandemic. The selfless sacrifices that have been made will never be forgotten, and as we continue to battle this disease, the tireless efforts of those on the front lines will continue to have our unwavering support. THANK YOU FOR ALL THAT YOU DO.

New Product:

Downlight Surface Mount

Portor is very excited to announce our newest line of downlights, the DSLM series of surface mounting downlights. Available in both round and square, the DSLM series continues Portor's commitment to bringing quality downlights to the market at a fair price. Energy Star certified and Title 24 compliant, our surface mounting downlights are color tunable (3000K, 4000K, and 5000K) with a CRI of >90. The DSLM series is also available with alternative trims, including black, bronze, and brush nickel.

Additionally, the 7" round version comes EM battery ready (EM battery sold separately) for projects that require emergency lighting.

Please contact your Portor sales representative for more information!!

Featured Product:

LED Back-Lit Flat Panel with Wattage Selector and Color Tunable

IN STOCK

Portor's LED back-lit flat panel is color tunable/wattage selectable and can be programmed with a CCT of 35K, 40K or 50K, eliminating the need to stock multiple color temperatures. Please contact your Portor sales representative for more information!!

Discontinued Item:

VTF Series

We will be discontinuing our VTF Tri-Proof fixture series, but a number of 8' fixtures (in both 4K and 5K) still remain.

VT1 Series

Portor will be replacing the Tri-Proof series with a traditional Vapor Tight series this fall.

STAY TUNED!!
