

THIS MONTH, WE'RE CELEBRATING TWO GREAT AMERICAN TRADITIONS:

PEOPLE WHO ACTUALLY SHOW UP TO WORK, AND SUNDAYS GETTING HIJACKED BY FOOTBALL.

Whether you're manning the grill like it's your day job, yelling at a quarterback who can't hear you, or perfecting the art of the long-weekend nap, we hope your Labor Day is filled with rest, good food, and zero work emails.

From all of us at Portor Lighting, thank you for your hard work all year. We promise our lights are more reliable than your fantasy football lineup.

Here's to a season full of bright lights and big plays!

ARCHITECTURAL LINEAR PENDANT - ARRIVING LATER THIS MONTH!

PT-ALP SERIES

The Portor PT-ALP Series linear architectural luminaire is designed to deliver high-performance illumination in a compact and modern form factor for commercial and architectural environments. Built with installer efficiency in mind, the fixture features a tool-less quick-fit connection system that simplifies installation while maintaining a clean, continuous appearance.
