

Exit Sign and Emergency Lighting

SLIM EXIT SIGN Series

IN STOCK

Portor is excited to announce the newest additions to our growing line of Exit / Emergency Series of lights. The Slim Series Exit Lights provide both a sleek, thin form factor to expand on the appearance of our exit and emergency light series with improved appeal and reliable light output.

PT-ELX-C-SLM-RED

Ultra-Thin Exit Sign and Emergency Light Combo

The PT-ELX-C-SLM Ultra-Slim Series is the category leader in emergency lighting featuring adjustable, dual head lights, 90-minute power outage uptime, backlit red chevrons (single or double), and a polycarbonate housing that is universally mountable.

PT-ELX-C-R

Bi-Color Round Exit Sign and Emergency Light Combo

The PT-ELX-C-R Slim Series is the category leader in emergency lighting featuring adjustable, dual head lights, 90-minute power outage uptime, backlit red chevrons (single or double), and a polycarbonate housing that is universally mountable.

PT-ELX-2-RED

Thermoplastic Exit Sign

The PT-ELX-2-RED Series is a slim exit light featuring 90 minutes of up time during outage, is universally mountable, field adjustable for single or dual face, and complies with UL924, UL damp location, NFPA 101, NEC/OSHA, Title 20 and adheres to the majority of state and local codes for indoor exit and emergency lighting solutions.

Complies with UL924, UL damp location, NFPA 101, NEC/OSHA, Title 20 and adheres to the majority of state and local codes for indoor exit and emergency lighting solutions.

PT-ELM-R

Round Double Head Emergency Light

The PT-EML-R Series is a round dual head LED fixture with a minimum up time of 90 minutes during outages.
