The PT-3WS-BT-B is a versatile, battery-powered Bluetooth wall switch that controls TEELIO Bluetooth enabled fixtures with ON/OFF and DIM+/DIM- functions. It can also serve as a remote controller within its wireless range, ensuring reliable and secure communication.

### FEATURES

- Quick push-button control of TEELIO devices via Bluetooth
- Powered by a single CR2032 battery
- Can be wall-mounted or used as portable remote controller
- Bluetooth 5.0 network technology enables the switch to be linked to one or more light groups via the TEELIO app
